

# Incomplete (IN) Grade Request

## Regulation 4(b)

Smith Engineering

Student Services Office

**Fillable Form. Please ensure that ALL sections of the form are completed.**

**Submit by email to:**  
**engineering.committees@queensu.ca**

	<p>Regulation 4 (b) If a student is unable to write the final examination or to submit required coursework because of incapacitating illness or other extenuating circumstances, a temporary designation of IN (incomplete) will be recorded for the course on the recommendation of the course instructor, the Undergraduate Chair, and upon approval by the Smith Engineering Faculty Board Committee (see regulation 3h). The submission of a mark of IN must be accompanied by appropriate supporting documentation, and by a proposed date of completion, but no later than 9 months beyond the date of approval. The course for which a mark of IN has been entered will be excluded when calculating the term GPA and Cumulative GPA of the student concerned. An IN on a transcript does not preclude the application of Regulations 2g or 10. An IN designation will revert to the "default grade" submitted by the instructor after the date set for completion of the work.</p> <ul style="list-style-type: none"> <li>In the event that a student is unable to write the final exam or submit required coursework because of extenuating circumstances (as defined in <a href="https://smithengineering.queensu.ca/current-students/academics/absences-and-academic-accommodations.html">https://smithengineering.queensu.ca/current-students/academics/absences-and-academic-accommodations.html</a>), the student MAY be eligible to receive an incomplete (IN) grade in the course.</li> <li>The student must first provide supporting documentation to be verified by the Smith Engineering office before an "IN" grade request will be considered. For information regarding supporting documentation and procedures, visit <a href="http://my.engineering.queensu.ca/Current-Students/absences-and-academic-accomodations.html">http://my.engineering.queensu.ca/Current-Students/absences-and-academic-accomodations.html</a>.</li> <li>The Smith Engineering office will email the instructor (and copy the department and the student) a memorandum notifying them that the Smith Engineering office has received appropriate documentation for the student's absence. Generic information about the duration of the student's absence and/or accommodation(s) will be included in the email.</li> <li>Once receiving this information, and upon a request by the student, the UG Assistant will initiate an Incomplete (IN) Grade Request Form, which will be reviewed by the instructor and the UG Chair of the Home department. If approved, the form will be forwarded to the Operations Committee for review.</li> <li>Pending approval of the 'IN' grade, the current grade based on all graded material to date (including incomplete material such as the exam) will be entered into the student's record (SOLUS).</li> <li>Should the Incomplete (IN) Grade Request be approved, the current default mark will be changed to an "IN" in the student's record until a mark change is submitted to the Faculty Office. If a mark change is not submitted on or before the completion, then the 'IN' will revert to the default mark.</li> <li>An 'IN' grade and the unit weight for the course are not included in the term and cumulative averages.</li> </ul>
